philosophy is associated with pragmatism and essentialism. Positivism is a teacher centered philosophy that rejects intuition, matters of mind, essences, and inner causes. This philosophy relies on laws of matter and motion as valid, and bases truth on provable fact. It is also known as logical positivism.

Educational Philosophies in the Classroom

Talk of possible worlds is now a commonplace within philosophy. It began, nearly three hundred years ago, within philosophical theology. Leibniz thought it reassuring to say that although our world contains much that is evil, it is nonetheless the best of all possible worlds. Few philosophers today find this statement very plausible.
