

the politics of everyday pdf

Politics (from Greek: *πολιτική*, translit. *Politiká*, meaning "affairs of the cities") is the process of making decisions that apply to members of a group. It refers to achieving and exercising positions of governance—organized control over a human community, particularly a state. The academic study focusing on just politics, which is therefore more targeted than all Political science ...

Politics - Wikipedia

United States. In the United States, the term earmark is used in relation with the congressional allocation process.: 36 Discretionary spending, which is set by the House and Senate Appropriations Committees and their various subcommittees, usually through appropriation acts, is an optional part of fiscal policy which differs from mandatory spending for entitlement programs in the federal budget.
