Politics (from Greek: ἡ πολιτική , translit. Politikḗ , meaning "affairs of the cities") is the process of making decisions that apply to members of a group. It refers to achieving and exercising positions of governance—organized control over a human community, particularly a state. The academic study focusing on just politics, which is therefore more targeted than all Political science ...

Nativism is the political policy of promoting the interests of native inhabitants against those of immigrants, including by supporting immigration-restriction measures.. In scholarly studies nativism is a standard technical term. Those who hold this political view, however, do not typically accept the label. Dindar (2009) wrote, "nativists... do not consider themselves as nativists.
