

**the ravens song pdf**

"The Three Ravens" (Child 26, Roud 5) is an English folk ballad, printed in the song book Melismata compiled by Thomas Ravenscroft and published in 1611, but it is perhaps older than that.

**The Three Ravens - Wikipedia**

The common raven (*Corvus corax*), also known as the northern raven, is a large all-black passerine bird. Found across the Northern Hemisphere, it is the most widely distributed of all corvids. There are at least eight subspecies with little variation in appearance, although recent research has demonstrated significant genetic differences among populations from various regions.
