Reality pornography is a genre of pornography where staged scenes, usually shot in cinema quality fashion, set up and precede sexual encounters. These scenes may either have the cameraman directly engaging in sex (as in Gonzo pornography) or merely filming others having sex. The genre presents itself as "real couples having real sex". It has been described as professionally made porn which ...

Reality television is a genre of television programming that documents supposedly unscripted real-life situations, and often features an otherwise unknown cast of individuals who are typically not professional actors. Reality television exploded as a phenomenon in the late 1990s and early 2000s with the global success of the series Survivor, Idols, and Big Brother.
