

the role of model pdf

A role model is a person whose behavior, example, or success is or can be emulated by others, especially by younger people. The term "role model" is credited to sociologist Robert K. Merton, who coined the phrase during his career. Merton hypothesized that individuals compare themselves with reference groups of people who occupy the social role to which the individual aspires.

Gray Haven started out providing basic services like food, clothing, and victim advocacy. Over the years we have added to the depth of services we provide to identified survivors as well as use our knowledge base to increase victim identification and inform the community at large how to engage this horrific injustice.
