Politics, Sociology - Free eBooks Download

Political sociology is concerned with the sociological analysis of political phenomena ranging from the State, to civil society, to the family, investigating topics such as citizenship, social movements, and the sources of social power. The lineage of this discipline is typically traced from such thinkers as Montesquieu, Smith and Ferguson through the "founding fathers" of sociology – Marx ...

Political sociology - Wikipedia

Sociology is the scientific study of society, patterns of social relationships, social interaction, and culture of everyday life. It is a social science that uses various methods of empirical investigation and critical analysis to develop a body of knowledge about social order, acceptance, and change or social evolution. While some sociologists conduct research that may be applied directly to ...

Sociology - Wikipedia

The Annual Review of Sociology, in publication since 1975, covers the significant developments in the field of sociology. Topics covered in the journal include major theoretical and methodological developments as well as current research in the major subfields. Review chapters typically cover social processes, institutions and culture, organizations, political and economic sociology ...
